**SAINT OF THE WEEK SAINT PHILIP NERI (1515-1595)**

**May 26**

When Philip Neri arrived in sixteenth-century Rome, there was reason to be somber. Swiss Guards had been massacred on Saint Peter's steps defending the pope. Parts of Europe were abandoning the Church. But Philip resolved to be an "Apostle of Joy," drawing especially the young to Christ—and frequent confession and Communion—by his sincere interest in their problems, prayerful example, and gentle humor. His "Oratory," a movement as well as a place, provided recreation and devotion in a joyful atmosphere of companionship, service, and liturgy. Philip Neri challenges each of us to begin improving Church and world by changing ourselves with unfailing joy.
